Nose & cheeks	175	140	131
Full face	300	240	225

LASER FACIAL (30 MINS)

This popular lunch time facial pulses micro-beams of LASER energy, which gently heats the dermis, stimulates collagen tightening and shrinks pores for a more radiant glow. The treatment starts with cleansing and exfoliating and finishes with application of serums.

SKIN TIGHTENING & CONTOURING "SUBLIME" TREATMENT

Sublime treatment can improve mild to moderate skin laxity/"sagginess" of the face, neck, abdomen or upper arms. This treatment is recommended as an ongoing treatment, 2-6 weeks apart. It is also great before special events.

	SINGLE TREATMENT	3 TREATMENTS SAVE 20%	5 TREATMENTS SAVE 25%
Full face	190	152	143
Full face & neck	250	200	188
Abdomen	300	240	225

FRACTIONAL RADIOFREQUENCY SKIN RESURFACING

A non-invasive treatment, delivering heat to target the deeper layer of the skin (dermal layer) whilst the outer layer of the skin remains relatively intact. It stimulates collagen production resulting in reduction of fine lines, mild to moderate wrinkles, acne and acne scarring.

We usually recommend 4-6 treatments, 4-6 weeks apart.

	SINGLE TREATMENT	4 TREATMENTS SAVE 20%	6 TREATMENTS SAVE 25%

Full face & décolletage	590	472	443
Full face, neck & décolletage	650	520	488

DERMALUX LED

95

A non-invasive treatment that instantly energises the skin cells to revitalise a dull and tired complexion. A course of treatments can accelerate skin renewal and resolve a range of skin concerns: acne, rosacea, dermatitis and pigmentation. It is also known to increase serotonin levels, which helps in fighting low mood and depression.

Suitable as an add on to any another treatment \$50 (20 mins)

FRACTIONAL CO₂RE LASER

The Fractional CO₂RE LASER by Candela Medical is the gold standard in skin resurfacing and treats the advanced signs of ageing in a single treatment. Improving skin tone and texture, sun damaged skin, wrinkles, fine lines, acne scars, striae and surgical scars. It is only performed by our Cosmetic Doctors. The down time is 7-14 days, with the skin continuing to improve over the next 4-6 months. Treatments range from mild to aggressive.

Full face rejuvenation price range	1000-3000
Consultation with the Doctor (redeemable off treatment cost)	75

CO₂RE INTIMA (PER TREATMENT)

750

The CO₂RE Intima treatment is performed by Dr Bonnie to restore vaginal tone, flexibility and shape. This is a TGA approved LASER energy procedure to treat some of the symptoms of childbirth or menopause eg. vaginal dryness, burning, laxity or altered appearance. It may also help in some cases of stress incontinence (leaking of urine when coughing or laughing).

We recommend 3 treatments, 4-6 weeks apart

CO₂RE LASER TREATMENTS (SINGLE LESION)

250

All treatments including; benign skin lesions, moles & skin tags, are performed by Dr Bonnie and Dr Alex. Usually one treatment is needed, however some lesions may need retreating.

Additional lesions	from 40
